Subject: [External] RE: DEC/DEP Solar Choice Tariff Cases Procedural Matters (2020-264-E and 2020-265-E)

Hearing Officer Stark:

Thank you for your email. The Duke Companies expect this hearing will not exceed the scheduled two days, but as you noted, these are dynamic matters.

Additionally, we would like to confirm the date to provide our order of witnesses and case plan. The Companies understood the 2nd Revised Notice of Filing and Hearing and Prefile Testimony Deadlines, as well as Order No. 2020-824, to require the order of witnesses and case plan no later than March 10th. This provides the parties an opportunity to review the Surrebuttal submitted on March 8th when preparing the order of witnesses and case plan. We appreciate you confirming your understanding of this matter.

Lastly, we do not require a virtual test. Thanks very much.

Subject: DEC/DEP Solar Choice Tariff Cases Procedural Matters (2020-264-E and 2020-265-E)

Caution: External email

Parties:

I hope this finds you well. As we are approaching our hearing date, there are a few procedural matters that need to be handled regarding Docket Nos. 2020-264-E and 2020-265-E, the DEC and DEP Solar Choice Tariff cases.

First, I would ask that everyone complete the following virtual plan, so our IT personnel can get you the required information for the hearing:

<https://www.surveymonkey.com/r/2ZJPW5W>

Please be sure to complete the survey (linked above) by close of business Friday, 3/5/21. Also – please let me know if you do, or do not, need or desire a virtual test.

Second, I note that the Commission has scheduled two days for this hearing. Due to recent experiences, I would like to inquire if the parties could give me a sense of whether the parties expect that additional time needs to be allocated for the purpose of this proceeding, or whether the parties feel as though two days may be sufficient? Obviously, I understand the dynamic nature of litigation, but I am just trying to get a sense of whether additional time may be necessary to enable the Commission to plan accordingly.

As always, if there are procedural issues that I need to address, please let me know. I will do all that I can to facilitate an efficient proceeding.

Thanks and Regards,

David Stark
